

New Water 90-Day Clarifier

Contains Aluminum Sulfate

KEEP OUT OF REACH OF CHILDREN

DANGER – HARMFUL IF SWALLOWED

PRODUCT DESCRIPTION: New Water® 90-Day Clarifier prevents cloudy water from happening in pools with an easy-to-use, monthly, prefilled pod. Give your pool that added polish for crystal clear sparkling water.

DIRECTIONS FOR USE:

Before applying New Water 90-Day Clarifier, make sure all pool equipment is working properly, including pump, filter, skimmer and heater. If recently used New Water 24-Hour Algaecide or New Water 90-Day Algaecide, wait at least 2 weeks before using New Water 90-Day Clarifier.

1. Backwash or clean filter according to manufacturer's instructions.
2. Insert 1 New Water 90-Day Clarifier pod directly to the skimmer basket. Run pump for 24 hours after adding product.
3. Remove empty pod and discard in trash or offer for recycling if available.
4. Don't backwash filter for 2 weeks after applying this product.

NOTE: Backwash or clean filter if pressure increase 8-10psi.

5. Use a new pod every month to keep your pool sparkling clear.

Note: After putting the pod in the skimmer basket, it goes to work immediately. While it's working pool water may become hazy, but it will clear up within 24-48 hours.

STORAGE AND DISPOSAL:

Storage: Keep this product in original container when not in use. Store in a cool, dry, well-ventilated area. Keep out of reach of children and pets.

Disposal: Non-refillable container. Do not reuse or refill this container. If empty: triple rinse and place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID: IF SWALLOWED: Rinse mouth. Get medical help. **IF IN EYES:** Immediately rinse with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. Get medical help. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water. If skin irritation or rash occurs, get medical help. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 and get medical help. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

IN CASE OF MEDICAL EMERGENCY CALL 1-800-424-9300

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

DANGER: Do not get in eyes, on skin or on clothing. Wear goggles, face shield or safety glasses. Wash hands thoroughly after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.
