Our Commitment To Privacy

Your privacy is very important to us. To better protect your privacy we provide this notice explaining our online information practices the way your information is collected and used.

What Information Do We Collect?

When you visit our web site you may provide us with two types of information: personal information you knowingly choose to disclose that is collected on an individual basis and web site use information collected on an aggregate basis as you and others browse our web site.

1. Personal Information You Choose To Provide

You are under no obligation to provide any personal information to us to use our web-site. If you choose to engage in certain activities on this site, such as registering your product, requesting information, submitting a survey or sending an e-mail, you may need to provide personal information (such as name, address, e-mail address, phone number, etc.) in order to engage in these activities. Depending on the activity, in order to offer you the best service some of the information will be required and some will be optional.

We use personal information for purposes of administering our business activities, providing customer service and making available product information to our customers and prospective customers. Occasionally, we may also use the information we collect to notify you about important changes to our web site, new products and special offers or information we think you will find valuable. We provide you the opportunity to opt-out of receiving communications from us easily and promptly. The personal information we collect is not traded, sold, rented or shared with other businesses or organizations.

2. Web Site Use Information

Our web site may use cookies and web server logs to collect information about how our web site is used. Information gathered through cookies and web server logs may include the date and time of visits, the pages viewed, time spent at our web site, etc. This information is collected on an aggregate basis. None of this information is associated with you as an individual.

We use this aggregate information in order to assist us to design and arrange our web pages in a user-friendly manner and to continually improve our web site to better meet the needs of its visitors.
